Public Disclosure Commission
Phil Stutzman
Director of Compliance

Dear Mr. Stutzman,

Several citizens in our Community have expressed some concerns about an ad in our local newspaper and a bulk mailing to all residents.

I have enclosed the following:

1. Copy of advertising by the local paramedics
2. Copy of Island wide mailing
3. Copy of letter by John Erly a former elected fire commissioner.

I would like to know if it is legal for paid employees to use the Fire District Equipment in their advertising.

Sincerely,

Pierrette Guimond
